Dr. Robert Q. Marston
Office of the President
University of Florida
Gainesville, Florida 32611

Dear Dr. Marston:

I sincerely regret that it is necessary to cancel the 16 September 1982 visitation day for university presidents. We were unable to assemble a minimum of four presidents due to heavy commitments early in the school term. I hope that this change in plans will not inconvenience you in any way.

I understand that you will not be able to join the 13 October visitation day being hosted by the Director of Central Intelligence. I assure you that another invitation will be extended, and I look forward to meeting you then.

Thank you for your expression of interest in the Agency.

Sincerely,

John N. McMahon
